Written by Yoko Ono

We are born in a prison,
raised in a prison
Send to a prison called school,

We cry in a prison,
We love in a prison,
We live in a prison,
like fools.

Chorus:
Wood becomes a flut when
it's loved,
reach for your self and your
battered mates.
Mirror becomes a razor when
it's broken,
Look in a mirror and see
your shattered fate.

We live with no reason,
Kicked around for no reason,
Thrown out without reason
like tools.

Work in a prison
And hate in a prison
And die in a prison
as a rule.

chorus

We live in a prison
Among judges and wardnes
And wait for no reason or use
We laugh in a prison,
Go through all four seasons
And die with no vision
or truth

chorus
