Spoken by john lennon to plastic ono elephant's memory band:

"-okay? ...something about a flat top that's all i know...

One, two, aah-one, two, three, four-"

(shhhoop-)

Here come ol' flat top, he come groovin' up slowly

He got joo joo eyeball, he one holy roller

He got hair down to his knees

Got to be a joker 'cause he's so hard to please

(shhhoop- shhhoop- shhhoop- shhhoop-)

He wear no shoeshine, he got walrus gumboot

He got monkey finger, he shoot cola cola

He say i know you, you know me

One thing i can tell you is you got to be free

Come together, right now

Over you (spoken by john to audience: "-just for a change...")

(shhhoop-)

He bag production, he got ono sideboard

He one spinal cracker, he got early walkers

He say hair, belief, under his knees

Hold you in his arms til you can feel his disease

Come together, right now

"over me" (-sung by john in a mock effeminate accent)

-oww! lead solos

He roller coaster, he got early warning

He got muddy water, he want mucho filter

He say one and one and one is three

Got to be good lookin' 'cause he's so hard to see

Come together, right now
Over me...over you...over there...(shhhoop-)

Come together....come together,
Come together, -ahhh, come together, -aayyy!
