Here we go again
Here we go again and again
Wond'rin' how it all began
Wond'rin' will it ever end

Round and round we go
Where it's going, nobody knows
Though I know we've been this place before
Someone keeps on moving the door

Here we go again
Here we go again
Here we go again
Here we go again

So I say hello again

And nobody gives a damn
And nobody wants to hold your hand
Ev'ryone is an also-ran

Round and round we go
Where it's going, nobody knows
Though I know we've seen this place before
Someone keeps on moving the door

Here we go again
Here we go again
Here we go again
Here we go again

Round and round we go
Round and round we go

Here we go again
Here we go again
