Say, you're looking for a place to go
Where nobody knows your name
You're looking for oblivion
With one eye on the hall of fame

I don't wanna face it, oh no
I don't wanna face it, no no, no no
Well, I can ditch it out
But I just can't take it

You're looking for some peace and love
Leader of a big old band
You wanna save humanity
But it's people that you just can't stand

I don't wanna face it, oh no
I don't wanna face it, no no, no no
Well, I can sing for my supper

But I just can't make it

Oh, sing

Well, say, you're lookin' for a world of truth
Trying to find a better way
The time has come to see yourself
But you always look the other way

I don't wanna face it, oh no
I don't wanna face it, no no, no no
Well I can see the promised land
And I know I can make it

Yeah, I don't wanna face it
I don't wanna face it, oh no
Face it
I don't wanna face it, no

Face it
Face it babe
I'll wait for you
My kick get half the size
