One, two, free, four!

Well, she was just seventeen,
You know what I mean,
And the way she looked was way beyond compare.
So how could I dance with another (ooh)
And I saw her standin' there.

Well she looked at me, and I, I could see
That before too long I'd fall in love with her.
She wouldn't dance with another (whooh)
And I saw her standin' there.

Well, my heart went boom,
When I crossed that room,
And I held her hand in mine...

Whoah, we danced through the night,
And we held each other tight,
And before too long I fell in love with her.
Now I'll never dance with another (whooh)
Since I saw her standing there

Well, my heart went boom,
When I crossed that room,
And I held her hand in mine...

Whoah, we danced through the night,
And we held each other tight,
And before too long I fell in love with her.
Now I'll never dance with another (whooh)
Since I saw her standing there
