This here's a story about the househusband, you know,  
who just has to get out of the house, he's been looking  
after, you know, the kids from day to day, he's been  
washing the dishes, screwing around and watching  
Sesame Street and he's going crazy!

Woke up this morning blues around my head  
No need to ask the reason why  
Went to my kitchen and lit a cigarette  
Blew my worries to the sky

I'm stepping out  
I'm stepping out  
I'm stepping out  
I'm stepping out

If it don't feel right you don't have to do it  
Just leave a message on the phone and tell them to  
screw it  
After all is said and done you can't go pleasin'  
everyone  
So screw it...

I'm stepping out  
I'm stepping out  
I'm stepping out  
I'm stepping out

Baby's sleeping the cats have all been blessed  
Ain't nothing doing on TV (summer reruns)  
Put on my space suit I got to look my best  
I'm going out to do the city

I'm stepping out  
I'm stepping out  
I'm stepping out  
I'm stepping out

I'm stepping out  
I'm stepping out  
I'm stepping out

I'm stepping out

Gotta gotta gotta get out  
I'm just stepping out babe  
Just for a while  
Ain't been out for days  
Gotta do it tonight  
Gimme a break, gimme a break  
I gotta get out  
I'll be in before one (or two
