Woke up this morning, blues around my head  
No need to ask the reason why  
Went to the kitchen and lit a cigarette  
Blew my worries to the sky

I'm stepping out  
I'm stepping out  
I'm stepping out  
I'm stepping out

If it don't feel right, you don't have to do it  
Just leave a message on the phone and tell them to  
screw it  
After all is said and done you can't go pleasin'  
everyone  
So screw it

I'm stepping out  
I'm stepping out  
I'm stepping out, baby  
I'm stepping out

Baby's sleeping, the cats have all been blessed

Ain't nothing doing on TV, summer repeats  
Put on my space suit, I got to look my best  
I'm going out to do the city

I'm stepping out  
I'm stepping out  
I'm stepping out, babe  
I'm stepping out, boogie

I'm stepping out  
Hold it down  
I'm stepping out  
I'm stepping out

Gotta, gotta, gotta, gotta get out  
I'm stepping out, babe  
Just a while  
Ain't been out for days

Gotta do it tonight  
Gimme a break, gimme a break  
Gotta get out, gotta get out  
Just for a while, just for the night  
I'll be in before one or two
