You gotta eat, you gotta drink
You gotta feel something, you gotta worry
But it's hard, you know it's hard
Sometime I feel like going down

You gotta live, you gotta love
You gotta be somebody, you gotta shove
But you know it's hard, it's really hard
Sometime I feel like going down

But when it's good, it's really good
And when I hold you in my arms, baby

Sometime I feel like going down

You gotta run, you gotta hide
You gotta keep your woman satisfied
But you know it's hard, it's hard to get hard
Sometime I feel like going down

You gotta run, you gotta hide
You gotta keep your woman satisfied
But you know it's hard, it's so hard to get hard
Sometime I feel like going down
