Don't be afraid
It's just the wind and light
Don't be afraid
This house is very strange

In the morning we'll be gone, don't be afraid
We'll watch the dawn till the sun comes up
Drinking coffee from our favorite cup
Girl, you've been good to me, so don't be afraid
tonight

Don't be afraid
It's just the cats at play
Don't be afraid
They do it night and day, very strange

They've gone by the morning, so don't be afraid of me
We'll dream around till the dawn comes up
Drinking coffee from our favorite cup
Girl, you've been good to me, don't be afraid tonight

Don't be afraid
Don't be afraid
Don't be afraid

Mr. Hyde, he's really gone away
Won't be back till next full moon
So we can bill and spoon
In June and croon, bewoon, bewoon, be
Can you stand it?
