NOBODY TOLD ME
John Lennon

Everybody's talking and on one says a word
Everybody's making love and no one really cares
There's Nazis in the bathroom just below the stairs

Always something happening and nothin going on
There's always something cooking and nothing in the
pot
They're starving back in China, so finish what you got

Nobody told me there'd be days like these
Nobody told me there'd be days like these
Nobody told me there'd be days like these
Strange days indeed, strange days indeed

Everybody's runnin and no one makes a move
Well everybody's a winner and nothing left to lose
There's a little yellow idol to the north of Katmandu

Everybody's flying and no one leaves the ground
Well everybody's crying and no one makes a sound
There's a place for us in movies, you just gotta stay
around

Nobody told me there'd be days like these
Nobody told me there'd be days like these
Nobody told me there'd be days like these
Strange days indeed, most peculiar mama

Everybody's smoking and no one's getting high
Everybody's flying and never touch the sky
There's UFO's over in New York and I ain't too surprised

Nobody told me there'd be days like these
Nobody told me there'd be days like these
Nobody told me there'd be days like these
Strange days indeed, most peculiar mama
