Everybody's talking and no one says a word

Everybody's making love and no one really cares

There's nazis in the bathroom just below the stairs.
Always something happening and nothing going on

There's always something happening cooking and
nothing in the pot

They're starving back in China so finish what you got.
They're starving back in China so finish what you got.
Nobody told me there'd be days like these

Nobody told me there'd be days like these

Nobody told me there'd be days like these

Strange days indeed
strange days indeed.
Everybody's runnin' and no one makes a move

Everyone's a winner
and no one seems to lose.
There's a little yellow idol to the north of Katmandu.

Everybody's flying and no one leaves the ground

Everybody's crying and no one makes a sound.
There's a place for us in movies you just gotta stay
around.

Nobody told me there'd be days like these

Nobody told me there'd be days like these

Nobody told me there'd be days like these

Strange days indeed
most peculiar
Mama.
Everybody's smoking and no one's getting high

Everybody's flying and never touch the sky

There's Ufo's over New York and I ain't too surprised.
Nobody told me there'd be days like these

Nobody told me there'd be days like these

Nobody told me there'd be days like these

Strange days indeed
most peculiar. Mama.
