You are my weakness, you are my strength  
Nothing i have in the world makes better sense  
Cause i'm a fish and you're the sea

When we're together or when we're apart  
There's never a space in between the beat of our  
hearts  
Cause i'm the apple and you're the tree

One day at a time is all we do  
One day at a time is good for you

You are my woman, i am your man  
Nothing else matters at all, now i understand  
That i'm the door and you're the key

Every morning i wake in your smile  
Feeling your breath on my face and the love in your  
eyes  
Cause you're the honey and i'm the bee

One day at a time is all we do  
One day at a time is good for us too (you too)

Cause i'm the fish and you're the sea  
Cause i'm the apple and you're the tree  
Cause i'm the door and you're the key  
Cause you're the honey and i'm the bee
