Okay start again silly boy, take four

All my little plans and schemes
Aren't like some forgotten dream
Seems like all I really was doing
Was waiting for you

Just like little girls and boys
Playing with their little toys
Seems like all we really were doing
Was waiting for love

No need to be alone
No need to be alone

It's real love
Yes it's real
Yes it's real love
It's real

From this moment on I know
Exactly where my life will go
Seems like all I really was doing
Was waiting for love

Thought I'd been in love before
But in my heart I wanted more
Seems like all I really was doing
Was waiting for you

No need to be afraid
No need to be afraid

It's real love
Yes it's real
Yes it's real love
It's real
