Remember when you were young?  
How the hero was never hung  
Always got away  
Remember how the man  
Used to leave you empty handed?  
Always, always let you down  
If you ever change your mind  
About leaving it all behind  
Remember, remember, today

And don't feel sorry  
The way it's gone  
And don't you worry  
'Bout what you've done

Just remember when you were small  
How people seemed so tall  
Always had their way  
Do you remember your Ma and Pa  
Just wishing for movie stardom  
Always, always playing a part  
If you ever feel so sad  
And the whole world is driving you mad  
Remember, remember, today

And don't feel sorry  
'Bout the way it's gone  
And don't you worry  
'Bout what you've done

No, no, remember, remember  
The fifth of November
