Lord, take this makeup of off of me.  
I said, "lordy, lordy, lordy, take this makeup offa me."  
it's bad enough on the beach,  
but it's worse in the sea.

Because I'm knockin' on heaven's door.  
Because I'm lookin' for my ma.

I said, "ma, take these guns away from me."  
I said, "ma, take these guns away from me."  
I got so thin now, they're draggin' me down to my  
knees.  
Oh yeah, man, do you Mr. Jones?

Town,  
now I've been here so long, I almost forgot my name.  
I said, "lord I been here so long I almost forgot my  
name."  
but as long as I keep touring,  
I'll always be in the game, fame, brain, shame and  
fame and game  
fame, fame....
