"Daddy, when did we have no house?"

"When?"

"When, when did we have no house

And we rented this house?"

"In 1973, we didn't have this house, yet

That's when we bought this house"

"Oh"

"Two years before you were born"

"Oh, and I wasn't coming with you to find this house?"

"No, you weren't born yet, you were still in the sky"

"Oh, and when I came back

Was down here, what did I went in, on?"

"A, a, a little, a little cardboard box

With a little blanket in, little teeny tiny

Teeny tiny, little Sean [Incomprehensible]

In a little tiny cardboard box

They used to have apples in it"

You used to do this here"

"I never heard about apple box"

"Well, a little cardboard box, like this

Like they the bring groceries in

And it was you instead of the groceries"
