This here's the story about a house husband
Who, you know, just has to get out of the house
He's been looking at the, you know, the kids for
days and days
He's been washing the dishes and screwing
around and watching Sesame Street
Til he's gone crazy

Woke up this morning, blues around my head
No need to ask the reason why
Went to the kitchen and lit a cigarette
Blew my worries to the sky

I'm steppin' out
I'm steppin' out
I'm steppin' out
I'm steppin' out, yeah

If it don't feel right, you don't have to do it
Just leave a message on the phone and tell them to
screw it
After all is said and done you can't go pleasin'
everyone
So screw it

I'm steppin' out
I'm steppin' out
I'm steppin' out, baby
I'm steppin' out

Baby's sleeping, the cats have all been blessed
Ain't nothing doing on TV, summer repeats
Put on my space suit, I got to look my best
I'm going out to do the city

I'm steppin' out
I'm steppin' out
I'm steppin' out, babe
I'm steppin' out

Boogie
One more

I'm steppin' out
Hold it down
I'm steppin' out
I'm steppin' out

Gotta, gotta, gotta, gotta get out
I'm steppin' out, babe
Just awhile
Ain't been out for days

Got to do it tonight
Gimme a break, gimme a break
Gotta get out
Gotta get out
Just for awhile, just for the night
I'll be in before one or two
