"You Are Here"

From Liverpool to Tokyo
What a way to go
From distant lands one woman, one man
Let the four winds blow

Three thousand miles
Over the ocean
Three thousand light years
From the land of the rising sun

From mystical to magical
What a way to fly
From [incomprehensible] to village greens
Letting the light

Three thousand miles
Over the ocean
Three thousand light years
From the land of the rising sun

Love has opened up my mind
Love has blown right through
Wherever you are, you are here
Wherever you are, you are here

Three thousand miles
Over the ocean
Three thousand light years
From the land of surprising star

East is east and west is west
The twain shall meet
East is west and west is east
Let it be complete

Three thousand miles
Right over the ocean
Three thousand light years
From the land of the morning star
