I can't explain why my whole world is feeling so far
away.

My reflection, it seems so fake, when will the night
separate this day?

I can't ignore the place I live.

It feels so wrong.

They try to deceive us.

Wake up from this lucid dream.

I close my eyes but can't escape this feeling I have
inside.

I walk alone dissecting life, wake up to discover a
brand new lie.

I can't ignore the place I live.

It feels so wrong,

Why can't I win?

We must be strong,

It tries to deceive us.

Wake up from this lucid dream.

We can't ignore the truth inside.

Staring back at me for a reason,

Why do lies continue to come my way?

Force-fed the answers to trust in,

Forget that believe in another life.

I can't ignore the place I live.

It feels so wrong,

Why can't I win?

We must be strong,

It tries to deceive us.

Wake up from this lucid dream.

I can't ignore the place I live.

It feels so wrong,

Why can't I win?

We must be strong,

It tries to deceive us.

Wake up from this lucid dream.
