I see two eyes staring back at me
Two blues eyes keeping track of me
Hey there, tell me what do you see?

For a year now you've been a part of things
And it's clear now, you're at the heart of things
My love for you is more than a new love could be

Baby, you're wonderful
Baby, you're beautiful
Baby, what goes on in your head?

Maybe the sky is blue
Maybe I lost my shoe
Maybe time to put me to bed

While if a sunny smile
Fascinating things fill your mind
I look into your eyes
Guessin' all the thoughts behind them

I want my bottom dry
I think I'm gonna cry
Enough, sweet baby of mine

Baby, you're wonderful
Baby, you're beautiful
Baby, what goes on in your mmm?

Maybe my piggy is pink
Maybe I need a drink
May be I am feeling like, wat, wat, ten, dara

While if a sunny smile
Fascinating things fill your mind
I look into your eyes
Guessin' all the thoughts behind them

I hear a birdy peep
I think I'll go to sleep
Goodnight sweet baby of mine
Goodnight sweet baby of mine
