Sleep, sleep, sleep  
How we love to sleep  
At the close of day  
When the joys of the day fade away

And the mem'ries sweet  
Of the days repeat  
In our dreams they creep  
While we sleep, sleep, sleep

Sleep, sleep, sleep  
How we love to sleep  
At the close of day  
When the joys of the day fade away

And the mem'ries sweet

Of the days repeat  
In our dreams they creep  
While we sleep, sleep, sleep

Sleep, sleep, sleep  
How we love to sleep  
At the close of day  
When the joys of the day fade away

And the mem'ries sweet  
Of the days repeat  
In our dreams they creep  
While we sleep, sleep, sleep
