Ever been alone? ever? Been alone?
As we stand we are innocent. dog.
You can look to the future when your confident
What does a red herring mean? don't know don't know
How stable is smoke screen? don't know don't know
You ever seen a snow job in the snow? no oh no
Where does a false trail go? don't know don't know
Dog.
You can look to the future when your confident

Nothing has an answer and that's a fact
And all religions are the devils pacts
And one step forward is two steps back
And you know and I know and that's a fact
And as we stand, we are innocent
Adam and eve are innocent
And all mankind is innocent
We can all do without judgement

And all confusion is confident
You can look to the future when your confident
I, I, I, I, I, I
Nothing has an answer, and that's a fact
I am innocent
Good doggie. dog
I'm in my element
