(On the road, on the road)
(On the road, on the road)

On the road to Viridian City
(I'm on my way, I'm on the road, I'm on the road)
On the road to Viridian City
(I'm on the road)

We've built a team and we've been
Training all day long
We're on the road and gettin' strong
(Gettin' strong, gettin' strong)

Now here's the plan:
We're gonna head down to the forest
Time to collect some Pok mon
(Gotta catch 'em all, gotta catch 'em all)

(Chorus)
We keep on tryin'
And then we try some more
To stay together
And find a place worth fighting for

I'm on the road to Viridian City
Meet my friends along the way
(I'm on the road)
We're on the road to Viridian City
I got a badge and the power to play

(Gotta get there, along the way, gotta get there)
Viridian City!

I left my home and now I see a new horizon
But one day I'll come back to Pallet Town
(I'm comin' back, I'm comin' back)
I'm on the road to become the greatest trainer
And I won't quit until I'm #1
(Gotta be number one, number one, number one)

Repeat Chorus

I'm on the road
(To Viridian City)
Meet my friends along the way
I'm on the road to Viridian City

I'm on the road to Viridian City...

Come on, let's go!
