Like a criminal.

Did you think it could be like on tv?  
Where you could be big in your own movie?  
Did real life let you down?  
A genuine pygmalion.

Chorus:

(criminal) like a criminal.  
(no) no good to anyone.  
(foolish) gotta get a life and get sensible.  
(no) no pity, no pardon.

Criminal. just like a criminal.

Could've been a factor.  
Could've been another distracter.  
Some like it in limousines, I like it in a tractor.  
Solo, separate, not just one of a crowd.  
Indifferent to compliment.  
I leave my funeral ground.

Chorus

(criminal) like a criminal.  
(no) no pity, no pardon.

Just a criminal.

Haven't got a clue.  
Cannot comprehend anything you value.  
I'm probably just like you.  
Yes, I haven't got a clue.

Just let that judas goat lead you down that narrowing  
path.  
As affluence is your influence.  
You'll be of no consequence.

Chorus

(criminal) like a criminal.

(no) no pity, no pardon.

Yes, I haven't got a clue.

Just like a criminal.

I can not comprehend anything you value.

Probably just like you.

Yes, I haven't got a clue.

I cannot comprehend anything you value.
