Some of us live like princes, some of us live like
queens
Most of us live just like me and we don't know what it
means
To take our place in one world
To make our peace in one world
To make our way in one world
To have our say in one world
If you ain't got two words to say then I can't talk to you
No use crying, there's been no crime, I say it's just the
way the wind blows
Just the name of the game, the way of the world
Way of the world
Just the way of the world
Just the way of the world
So cold and lonely, cold and lonely
Cold and lonely world
Such a cold and lonely, cold and lonely
Cold and lonely world
Cold and lonely world
It's one world, like it or not
It's one world, believe it or not
It's one world
It's one world, believe it or not
It's one world, like it or not
It's one world
