I'm going away to leave you, I'm going to leave you in  
disgrace  
Nothing in my favour, got the wind in my face  
I'm going home, hey hey hey, over the hill  
Over the hill, hey hey hey, over the hill  
Can't get enough of sweet cocaine, get enough of  
mary-jane  
Going back to where I come from, going rolling back  
home again  
Over the hill, hey hey hey, over the hill  
Over the hill, hey hey hey, over the hill  
Been worried about my babies, been worried about my  
wife  
Just one place for a man to be when he's worried about  
his life  
I'm going home, hey hey hey, over the hill  
Over the hill, hey hey hey, over the hill  
I'm going away to leave you, I'm going to leave you in  
disgrace  
Got nothing in my favour, rain in my face  
I'm going home, hey hey hey, over the hill  
Over the hill, hey hey hey, over the hill
