Gon' tell you a story, stick around
A man I know found us out
John Lee Hooker, he's the boogie king
If you have music, hear it ring

John Lee Boogie, king of the boogie
John Lee Boogie, oh, do the boogie

Just clap your hands, tell your friend
Raise your voices till the end
Groove into it, stomp your feet
John lee boogie, can't be beat

John Lee Boogie, king of the boogie
John Lee Boogie, oh, do the boogie

Feel that spirit in your soul
Boogie children, let it roll
That's my story, hear me say
For John Lee Hooker, boogie king

John Lee Boogie, king of the boogie
John Lee Boogie
