God, we must be crazy  
The whole world's been falling apart  
I've never seen such suffering  
Or so many broken hearts

How people can hurt each other  
Lord, I swear by the stars above  
Ain't got nothing to do with love  
Ain't got nothing to do with love

You say you want my money  
You wanna buy you a brand new car  
You say you love me, honey  
I ain't seen no proof so far

'Cause the way you've been treating me, darling  
Doin' things I've never heard of  
It ain't got nothing to do with love  
It ain't got nothing to do with love

Nothing to do with love  
You've got nothing to do with love  
Nothing to do with love  
Nothing to do with love

God, we must be crazy  
The whole world's been falling apart  
I ain't never seen such misery  
Or so many broken hearts

How people can kill each other  
In the name of the Lord above?  
It ain't got nothing to do with love  
Nothing to do with love

It ain't got nothing to do with love  
Nothing to do with love  
It ain't got nothing to do with love  
Nothing to do with love

Nothing to do with love  
Ain't got nothing to do with love

Nothing to do with love  
Nothing to do with love

Ain't got nothing to do with  
Nothing to do with love  
Ain't got nothing to do with  
Nothing to do with love

Ain't got nothing to do with  
Nothing to do with love
