Well...I'm sittin' over here on Parchman Farm  
I'm sittin' over here on Parchman Farm  
I'm sittin' over here on Parchman Farm  
Ain't never done no man no harm...

Well I'm puttin in cotton in a 'leven foot sack  
Well I'm puttin in cotton in a 'leven foot sack  
Well I'm puttin in cotton in a 'leven foot sack  
Twelve gauge shotgun at my back...

;)

I'm sittin' over here on Parchman Farm  
I'm sittin' over here on Parchman Farm  
Well...I'm sittin' over here on Parchman Farm  
Ain't never done no man no harm...
