"Double Trouble"

I can't work at night
Oh, I'm so low, I am double troubled
It's hard to keep a job
Laid off and havin' double trouble

Hey, yeah, yeah
They say you can make it if you try
Yes, this generation of millionaires
Hard for me, decent clothes to wear

Your mother starts mockin', baby
And I got no place to go
Bad luck and trouble's taken me
And I have got no money to show

Aye, hey, yeah, make it if you try
Baby, that's no lie
Yes, livin' in this generation of millionaires
It's hard for me to keep decent clothes to wear
