Oh, pretty woman, you's the risin' sun  
You see your cheap changin' powder ain't gon' help  
you none  
'Cause you's a pretty woman right down to your toes  
So you just might as well leave your skin alone  
Pretty woman  
What's the matter with you?  
Can't make you love me  
No matter what I do  
Oh, pretty woman, what you tryin' to do?  
You kept on foolin' 'round just like I stepped on you  
So you just drop that mess and come down off your  
throne  
Stop using my poor heart as just a steppin' stone  
Pretty woman  
What's the matter with you?  
Can't make you love me  
No matter what I do  
Oh, pretty woman, that's alright for you  
And you just go on doin' what you wanna do  
But someday when you think that you have got it made  
You gonna need my help but it'll be too late  
Pretty woman  
What's the matter with you?  
Can't make you love me  
No matter what I do  
Can't make you love me  
No matter what I do
