Don't want no evil woman make a fool out of me. My girl she's so sweet, she's my honey bee.

She feels the same way about me. She feels the same way about me. She feels the same way.

Wake up in the morning, get my breakfast in my bed. My girl she's so good, love her till I'm dead.

She feels the same way about me.

She feels the same way about me. She feels the same way.

Don't want no other woman, I could never be satisfied. My girl looks so good standing by my side.

She feels the same way about me. She feels the same way about me. She feels the same way.
