Don't want no evil woman  
Make a fool out of me  
My girl, she's so sweet  
She's my honey bee  
She feels the same way about me  
She feels the same way about me  
She feels the same way  
Wake up in the morning  
Get my breakfast in my bed  
My girl, she's so good  
Love her till I'm dead  
She feels the same way about me  
She feels the same way about me  
She feels the same way  
Don't want no other woman  
I could never be satisfied  
My girl looks so good  
Standing by my side  
She feels the same way about me  
She feels the same way about me  
She feels the same way
