Michael Card

Seems I've imagined Him all of my life
As the wisest of all of mankind
But if God's Holy wisdom is foolish to man
He must have seemed out of His mind
Even His family said He was mad
And the priest said a demon's to blame
But, God in the form of this angry young man
Could not have seemed perfectly sane

Chorus

We in our foolishness thought we were wise
He played the fool and He opened our eyes
We in our weakness believed we were strong
He became helpless to show we were wrong
So we follow God's own Fool
For only the foolish can tell
Believe the unbelievable, come be a fool as well
So come lose your life for a carpenter's son
For a man never died for a dream
And You'll have the faith His first followers had
And you'll feel the weight of the beam
So surrender the hunger to save us now
And The courage to say I believe
For the power of paradox opens your eyes
And blinds those who say they can see

Chorus

So we follow God's own Fool
For only the foolish can tell
Believe the unbelievable, come be a fool as well
