Chorus 1

How could it be this baby in my arms

Sleeping now, so peacefully

The Son of God, the angel said

How could it be

Lord I know He's not my own

Not of my flesh, not of my bone

Still Father let this baby be

The son of my love

Chorus 2

Father show me where I fit into this plan of yours

How can a man be father to the Son of God

Lord for all my life I've been a simple carpenter

How can I raise a king, How can I raise a king

He looks so small, His face and hands so fair

And when He cries the sun just seems to disappear

But when He laughs it shines again

How could it be
