I'm writing you to  
catch you up on places I've been  
You held this letter  
probably got excited,  
but there's nothing else inside it

didn't have a camera  
by my side this time  
hopping I would see  
the world with both my eyes  
maybe I will tell  
you all about it when I'm  
in the mood to lose my way  
with words

Today skies are painted  
colors of a cowboy's cliché'  
And strange how clouds  
that look like mountains in the sky  
are next to mountains anyway

Didn't have a camera  
by my side this time  
Hoping I would see the  
world with both my eyes  
Maybe I will tell you  
all about it when I'm  
in the mood to lose my way  
but let me say

You should have seen  
that sunrise with your own eyes  
it brought me back to life  
You'll be with me  
next time I go outside  
just no more 3x5's

Guess you had to be there  
Guess you had to be with me

Today I finally overcame

tryin' to fit the  
world inside a picture frame  
Maybe I will tell you all  
about it when  
I'm in the mood to  
lose my way but let me say

You should have seen that  
sunrise with your own eyes  
it brought me back to life  
You'll be with me  
next time I go outside  
just no more 3x5's  
no more 3x5's
