What if i told you it was all meant to be?
Would you believe me? Would you agree?
Its almost that feeling that we've met before
so tell me that you dont think im crazy
when i tell you love has come here and now

Chorus:

A moment like this
some people wait a lifetime for a moment like this
some people search forever for that one special kiss
oh i cant believe its happeneing to me
some people wait a lifetime for a moment like this

Everything changes but beauty remains
something so tender i cant explain
i may be dreaming but until i awake cant we make this
dream last forever?
and ill cherish all the love we share

chorus

could this be the greatest love of all?
i wanna know that you will catch me when i fall
so let me tell you this...
some people wait a lifetime for a moment like this..
a moment like this
some people wait a lifetime for a moment like this
some people search forever for that one special kiss
oh i cant believe its happeneing to me
some people wait a lifetime for a moment, a moment
like this...
oh i cant believe its happening to me..some people wait
a lifetime for a moment like this..
