I ain't gone n' give up on love  
Love ain't gone n' give up on me  
I ain't gone n' give up on love  
Love ain't gone n' give up on me

Every tear that I've cried  
Only washed away the fears inside  
And I just ain't gone n' give up on love

Every beat of my heart  
Pounds with joy and in pain  
Every beat of my heart  
Pounds with joy and in vain

And all those painful memories  
Only brought me to my knees  
I was just givin' up on love

Little Johnny Taylor told me so, so long ago  
What about the midnight cryin', whoa that cheatin' and  
lyin'?  
What about the price that will, oh surely be paid?  
All those that gave up on love, love will surely have it's  
day  
If it is gone n' give up on love

I ain't gone n' give up on love  
Let love ain't gone n' give up on me  
I ain't gone n' give up on love  
Let love ain't gone n' give up on me

Every time I try  
Good lord, love just won't let, let, let me, me
