"Bare Ballin It"

There's a new sensation, sweeping all the nation
And they're calling it, bare ballin it, bare ballin it

Well I seem to have forgotten that crucial layer of
cotton
I'm ballin it, we're all in it, we're bare ballin it

There's nothing that you don't see
After my jeans it's only just me
Call me a "Fleshy Fernando"
I'm going commando!
I'm ballin it, bare ballin' it

There's a new sensation, sweeping all the nation
And they're callin it (balling it)
They're callin it (they're callin it)
They're ballin it
