Met a man I didn't know he asked me how I'm doing  
Should have just said, "Fine" cause it's all he wanted to  
hear

But for reasons unknown in a sorrowful tone  
I said, "Man it's been a hell of a year."

#### CHORUS

And I don't really know where I'm going  
And I might just be hanging around  
If life's shades of grey, then I guess you could say  
That I am waiting for a break in the clouds

Went to go see some gypsy to tell me my future  
But she asked for my photograph instead  
As I walked through the cold with my fortune untold  
I said, "Good luck trying to reach me when I'm dead."

#### CHORUS

Cause I don't really know where I'm going  
And I might just be hanging around  
If life's shades of grey, then I guess you could say  
That I am waiting for a break in the clouds  
Yeah I've been waiting for a break in the clouds

I saw a love I used to know who swallowed me whole  
On a day I was out of clean clothes  
She sizes me up and says, "Honey how is your head?"  
I said, "You can't call me honey but honey, heaven only  
knows."

#### CHORUS

Cause I don't really know where I'm going  
And I might just be hanging around  
If life's shades of grey, then I guess you could say  
That I am waiting for a break in the clouds  
Yeah I've been waiting for a break in the clouds

Finding a break in the clouds  
No I don't know where I'm going  
And I might just be hanging around  
And if life's shades of grey then I guess you could say

That I've been waiting for a break in the clouds.
