If melody is my destiny  
Then what's left of me  
I'll give to you

If next to me  
Is all that you need to be  
Would you settle for fantasy  
If it's the best you could do

Can I have my cake  
Can I have you too  
Would you follow me  
Could I ask you to

Would the world between us  
Break these ties  
We've work so hard to realize  
Can postcard say  
What I see in your eyes  
Could I ever break away

Would I be satisfied  
And find peace inside  
Rolling half my life  
Over broken white lines

Can I have my cake  
Can I have you too  
Would you follow me  
Could I ask you to

Will I wake up one morning  
And see your face  
And streaks on the window  
That the rainstorm makes  
Could you bear all the weight  
And the strength that it takes  
Could I ever break away

Can I have my cake  
Can I have you too  
Would you follow me

Could I ask you to

Would the world between us

Break these ties

We've worked so hard to realize

Can a postcard say

What I see in your eyes

Could I ever break away
