I just remembered that time at the market
Snuck up behind me and jumped on my shopping cart
And rode down
Aisle five

You looked behind you
To smile back at me
Crashed into a rack full of magazines
They asked us
If we could leave

Can't remember
What went wrong last September
Though I'm sure you'd remind me
If you had to

Our love was
Comfortable
And so broken in

I sleep with this new girl I'm still getting used to
My friends all approve
Saying she's gonna be good for you
They throw me
High fives

She says the Bible is all that she reads
And prefers that I not use profanity
Your mouth was
So dirty

Life of the party
And she swears that she's artsy
But you could distinguish
Miles from Coltrane

[live version]
But you could distinguish
Me from Jack Johnson

Our love was
Comfortable

And so broken in

She's perfect
So flawless
Or so they say

She thinks I can't see
The smile that she's faking
And Poses for pictures
That aren't being taken

I loved you
Grey sweatpants
No make up
So perfect

Our love was
Comfortable
And so broken in

She's perfect
So flawless
I'm not impressed
I want you back
