It's just the strangest thing
I've seen your face somewhere
And early evening dream
A past night love affair
Do you know me? At all
Do you know me? At all
In all my reverie
I thought I felt us there
A feather in my hand
A flower in your hair
Do you know me? At all
Do you know me? At all
Do you know me? At all
Do you know me? At all
Do you know me? At all
Do you know me? At all
