Not talking about a year
No not three of four
I don't want that kind of forever
In my life anymore

Forever always seems to be around when it begins
But forever never seems to be around when it ends

So give me your forever
Please your forever
Not a day less will do
From you

People spend so much time
Every single day
Running around all over town
Giving their forever away

But no not me I won't let my forever roam
And now I hope I can find my forever a home

So give me your forever
Please your forever
Not a day less will do
From you

Like a handless clock with numbers
An infinite of time
No not the forever
Found only in the mind

Forever always seems to be around when things it
begins
But forever never seems to be around when things it
end

So give me your forever
Please your forever
Not a day less will do
From you
