Go easy on me for the night has been long.  
I'm not quite as strong as you see me.  
I came here alone and I'll leave on my own,  
The next stop is home so go easy on me.

Oh, I don't need the truth  
Or a good talking-to from your mountain.  
No, I don't know your name and I won't take the blame  
Don't know what you need, so go easy on me.

Go easy on me, for I mean you no harm.  
Its possible charm is in order  
But you're making so hard when you throw up your  
guard.  
I'm not here to spar so go easy on me.

Oh, the clanging of swords  
And the war of the words doesn't move me.  
See, my heart barely works and it's covered in dirt,  
It still kind of hurts, so go easy on me.

Oh, I can see in your eyes  
You don't realize what you're doing.  
So, here's some advice, never hurts to be nice.  
If you're not gonna be, then go easy on me.  
Go easy on me, go easy on me.
