I don't need no doctor  
'Cause I know  
What's ailing me  
I don't need no doctor  
No, no  
'Cause I know  
What's ailing me

I've been too long away  
From my baby, ahh  
I'm coming down  
With a misery  
(I don't need no doctor)  
(I don't need no doctor)

I don't need no doctor  
For my prescription  
To be filled  
(I don't need no doctor)  
(I don't need no doctor)

I don't need no doctor  
I tell ya now  
For my prescription  
To be filled  
(I don't need no doctor)  
(I don't need no doctor)  
Only my baby's arms  
Could ever take away  
This chill  
(I don't need no doctor)  
(I don't need no doctor)

Now the doctor  
Say I need rest  
(hey hey)  
Before I need  
Her tenderness  
(hmmm hmm)  
Put me  
On the critical list  
(hey hey)

When all I need  
Is her sweet kiss  
(hmmm hmm)  
He gave me  
A medicated lotion  
But it didn't soothe  
(It didn't soothe)  
My emotion  
(I don't need no doctor)  
(I don't need no doctor)

I don't need no doctor  
For my hope  
To live is gone  
(I don't need no doctor)  
(I don't need no doctor)  
I don't need no doctor  
No, no  
Wahhh  
My hope to live is gone  
(I don't need no doctor)  
(I don't need no doctor)

All I need is my baby  
Baby, please  
Won't you please  
Come on home  
(I don't need no doctor)  
You know  
What I'm talkin' about?  
(I don't need no doctor)

I don't need no aspirins  
(I don't need no doctor)  
I don't need no lotion  
(I don't need no doctor)  
I say, I don't need  
No vitamin pills  
(I don't need no doctor)  
I don't need no lotion  
(I don't need no doctor)  
I say, I don't need  
No vitamin pills  
(I don't need no doctor)
