Hold onto whatever you find baby  
Hold onto whatever will get u through  
Hold onto whatever u can baby  
Cuz I don't trust myself in love with you

I'm not the man I used to be  
I haven't told that to my heart just yet  
I wont tell my love a thousand...  
And I'll even let the water come in

Hold onto whatever you can baby  
Hold onto whatever will get u there  
Don't know how much longer I'll be here  
Cuz I don't trust myself in love with you

Who do you love  
Who do you love  
Who do you love  
You better call them up  
You better call them up  
Oooo

I wont talk myself forever in your arms  
Then I'll always look to get out of them yeah  
Cuz I can't tell you what I think I really want  
Cuz when it comes down to it I don't even care  
Don't even care anymore

Hold onto whatever u want baby  
Hold onto whatever will get you through  
Don't know how much longer I'll be around baby  
Cuz I don't trust myself in love with you  
Sing it now

Who do you love  
Gotta let go  
I want some love  
Oh who I've been waiting who

Hold onto whatever u want baby  
Hold onto whatever will get u through  
Leave right now I'm tired of talkin baby

Cuz I don't trust myself in love with you

Hold onto whatever u want baby

Hold onto what u thought u knew

The wind round here blows everything baby

I don't trust myself in love with you

I don't trust myself in love with you

I don't trust myself in love with you

I don't trust myself in love with you
