It's really over  
You made your stand  
You got me crying  
As was your plan  
But when my loneliness is through  
I'm gonna find another you

You take your sweaters  
You take your time  
You might have your reasons  
But you will never have my rhyme  
I'm gonna sing my way away from blue  
I'm gonna find another you

When I was your lover  
No one else would do  
And if I'm forced to find another  
I hope she looks like you  
And she's nicer, too

So go on, baby  
Make your little getaway  
My pride will keep me company  
And you just gave yours all away  
Now I'm gonna dress myself for two  
Once for me, and once for someone new  
I'm gonna do some things you wouldn't let me do  
I'm gonna find another you
