I don't think I'm gonna go to LA anymore  
I don't think I'm gonna go to LA anymore  
I don't know what its like to land and not race through  
your door  
I don't think I'm gonna go to LA anymore

I don't think I'm gonna go to LA anymore  
I'm not sure that I really ever could  
Hold on to your hotel key in your bedroom  
neighborhood  
Me sleep-walkin in Hollywood

I'm gonna steer clear  
I'd burn up in your atmosphere  
I'm gonna steer clear  
Cause I'd die if I saw you  
I'd die if i didn't see you there  
So i don't think I'm gonna go to LA anymore

I don't think I'm gonna go to LA anymore  
I'd get lost on the boulevard  
Without your voice to tell me I love you take a right  
the ten and the two is the loneliest sight

I'm gonna steer clear  
I'd burn up in your atmosphere  
I'm gonna steer clear

Cause I'd die if I saw you  
I'd die if I didn't see you

I'm gonna steer clear, oh yeah  
I'd burn up in your atmosphere  
I'm gonna steer clear  
Cause I'd die if i saw you  
I'd die if I didn't see you there  
See you there

Think I'm gonna stay, gonna stay in the gray  
Think I'm gonna stay (gonna stay)  
And the street lights say nevermind, nevermind  
And the canyon lines say nevermind

The sunset says we see this all the time, nevermind  
Never you mind

Wherever I go, Whatever I do  
I wonder where I am in my relationship to you  
Wherever you go, Wherever you are  
I watch your life play out in pictures from afar

Wherever I go, Whatever I do  
I wonder where I am in my relationship to you  
Wherever you go, Wherever you are  
I watch that pretty life play out in pictures from afar
