I am driving up 85 in the kind of morning
That lasts all afternoon, just stuck inside the gloom
4 more exits to my apartment
But I am tempted to keep the car in drive
And leave it all behind

'Cause I wonder sometimes
About the outcome
Of a still verdictless life

Am I living it right?
Am I living it right?
Am I living it right?
Why, why Georgia, why

I rent a room and I fill the spaces
With wood in places to make it feel like home
But all I feel's alone
It might be a quarter life crisis
Just a stirring in my soul

Either way I wonder sometimes
About the outcome
Of a still verdictless life

Am I living it right?
Am I living it right?
Am I living it right?
Why, why Georgia why

So what so I've got a smile on
But its hiding the quiet superstitions in my head
Don't believe me, don't believe me
When I say I've got it down

Everybody's just a stranger
But that's the danger in going my own way
I guess it's a price I have to pay, yeah
Still everything happens for a reason
Is no reason not to ask myself

If I'm living it right?
Am I living it right?
Am I living it right?
Why tell me why
Why, why Georgia why
